PROMETE RESIDENCE

Promete Residence is a comprehensive, personalized and secure solution to the residential, academical and sport needs of any basketball player that wants to integrate into Club Deportivo Promete by staying in Logroño [La Rioja, España], for the basketball season, or academic year.

It includes a combination of **plans adapted to any player**, regardless of their age, origin, category or sport level.

It also offers an initial **service of personal advising** without any compromise, **complete administrative paperwork** of the “door to door” process and a **permanent accompanying**, which creates an ideal scene for the **relief** and **assurance** of any family.

PERSONAL ATTENTION SERVICE

We offer the families all of the information and assistance needed during the process, from the first contact until the end of the stay, **to guarantee a satisfactory and totally adapted experience to your interests and needs.**

Promete Sports Club, an established project within Fundación Promete (promete.org), looks after the compliance of a Value Plan suitable for **personal development and sport talent**, which guaranties the technical and human conditions, optimal for living an excellent experience.

For this purpose, the club has a **Player Coordinator permanently available**, either to family or players, to resolve any incidences in the daily life of every player.

Liga 2 team, season 2017/2018

SPORTS PROPOSAL

PERSONAL SPORT PLAN (PSP) so every player of Promete residence can optimise their stay in the club, maximizing their physical, technical and tactical preparation according to their availability and disposition towards the job.

It also includes a study and a permanent tracing of their personal trajectory, optimizing their participation on teams, and categories that can maximize their sport development through their own **SYSTEM OF DYNAMIC PROFILE MANAGEMENT**.

SCHOOL OF SPORT TALENT (SST). Every player of Promete Residence is involved, based on their Personal Sport Plan, in a combination on **complementary and intensive plans** for those players with more capacity and interest, like post and pre-season training, additional sessions of technical training and participation in matches or tournaments in superior categories.

TYPES OF RESIDENCE

FOSTER FAMILY [MINORS OF 18]

The club has a group of collaborating families whose usual profile are young professional parents with children that are players or fans of basketball.

ASSISTED LIVING HOME [14 TO 18 YEARS]

Flats or houses rented and managed by the club, with a club worker who acts as a guardian. Usually, a player or coach with suitable training and vocation, as an adult tutor in charge of guaranteeing good cohabitation and good behaviour of the players and is always in a way that makes a life style more self-sufficient and independent than a foster family.

STUDENTS RESIDENCE [OLDER THAN 16 YEARS]

Residences for high school students or university students external from the club. We facilitate information regarding all of the available options, and the way of contracting them.

SHARED HOUSES [OLDER THAN 18 YEARS]

Flats or houses are rented and managed by the club, shared between players of the club who are older than 18, without supervision, food or cleaning service.

ACADEMIC OFFER

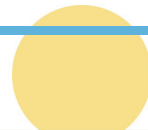

The club will provide the family information about the academic offers available in Logroño, according to their ages and interest, and will provide all of the academic paperwork needed.

We will encourage and offer chances of voluntary involvement in educative and cultural activities of interest for the player, that will promote a quicker linguistic and cultural integration, or experiences of valuable voluntary social work that will promote a early working integration.

If you are interested in getting more information, you may send an email to info@promete.org, with subject: **Residencia Promete**.
